

7th China-Japan Workshop on Pavement Technologies

(7CJWPT)

August 28-31, 2013

Harbin, China

Dear Sirs,

The 7th China-Japan Workshop on Pavement Technologies will be held in Harbin, China on August 29 to 31, 2013. It will be another extensive and high-level symposium organized by the pavement scholars and engineers of the two countries since the six successful workshops.

You are warmly welcome to attend our workshop. We expect to meet you in Harbin Institute of Technology in August.

With best regards,

谭忆秋
